

Our Mission

Greater Hope exists to offer hope, minister healing and equip people for sexual and relational wholeness through Christ's transforming love.

Our ministry is for those who desire to develop the ability to love others in a godly manner both physically and emotionally.

We offer this ministry in a safe, confidential setting led by persons trained to effectively understand and address these sensitive issues.

Greater Hope is an evangelical Christian Ministry promoting freedom and healing from heterosexual and homosexual sin and brokenness. Originally founded in 1995 as Day Seven, and re-established in July 1998, Greater Hope operates under the direction of an interdenominational board of directors. The work of Greater Hope is supported entirely by the 501(c)(3) tax-deductible contributions of individuals and churches who share our vision for ministry.

Ministering
Christ's Transforming Love
to the Sexually and
Relationally Broken

~~~~~  
May your unfailing love rest upon us,  
O LORD, even as we put our *hope* in you.  
~Psalm 33:22  
~~~~~

*"As a pastor and **Greater Hope** board member for several years, I have seen the ranks of the sexually wounded and shamed grow at a startling rate. Through the ministry of **Greater Hope**, many, many people have discovered peace, healing and hope they thought they would never find."*

Rev. Mike Winters

We believe that:

...God created man and woman in His image, and our distinctive male and female identities are an essential part of His sacred plan.

... sexuality is a good gift from God.

... God intended all sexual relations to occur only between a man and woman united in marriage.

... change is possible, but requires a commitment to the process of healing and transformation offered through relationship with Jesus Christ.

Greater Hope is an EXODUS member ministry. EXODUS is a worldwide interdenominational, Christian organization called to encourage, strengthen, unify, and equip Christians to minister the transforming power of Jesus Christ to those affected by homosexuality and other related issues.
